## SACC 2026-2027

### How to Join Brightwheel

### How to Checkin/out

### Why Brightwheel?

To help us provide a safe, organized, and efficient program, we use the Brightwheel app for all family communication, attendance, and daily check-in/check-out. Please take a few minutes before the school year begins to log into your Brightwheel account and make sure you know your 4-digit check-in/check-out code, as this code is required each time you pick up your child. We also ask that you upload a current photo of your child to their Brightwheel profile. Having an up-to-date photo helps our staff quickly identify children, especially during the first few weeks of the program, and enhances the safety and security of everyone in our care. Thank you for helping us make check-in and pick-up as smooth and secure as possible!

**\*Approved Pick ups will also need the app or you will need to provide them with their 4 digit pick up code.**
